chi siamo about us

Da quasi 70 anni, il marchio Fratelli Consonni, produce complementi d'arredo e orologi a pendolo di eccellente qualità, realizzati con solide competenze artigianali, cura dei particolari ed estro creativo, propri del "Made in Italy", inteso come prodotto di cultura, a testimonianza di un modo di essere, di lavorare e di fare riconosciuto in tutto il mondo.

Questi principi, ereditati dai fondatori, i fratelli Attilio e Angelo Consonni, costituiscono ancora oggi le linee guida dello sviluppo, seppure adeguate alle esigenze di oggi.

La "Fratelli Consonni", guidata dal giovane Paolo Consonni, guarda al presente con un patrimonio di storia che rivela un profondo legame con il passato del suo territorio, che risiede da sempre nella capacità di rinnovarsi sia a livello formale che sostanziale, integrando le forti competenze tecniche con la capacità creativa, valorizzando l'artigianalità della sua produzione.

La collezione "EVERYDAY", una famiglia di orologi a cucù, nata grazie all'incontro con la Designer Antonella Scarpitta, rappresenta la continuazione della vocazione artigianale dell'azienda e si distingue per creatività, qualità e per un design contemporaneo originale, che suggerisce alla mente il ricordo e la memoria della passata infanzia.

About 70 years ago, the brand F.lli Consonni, produce furnishing, complements and clocks in excellent quality, made with solid craft skills, attention to detail and creativity, their "Made in Italy", understood as culture's product, reflecting a way of being, to work and do, recognized throughout the world.

These principles, which are inherited from the founders, the brothers Attilio and Angelo Consonni, still constitute the guideline for the development, although adapted to the needs of today.

The "F.lli Consonni," led by the young Paolo Consonni, look at present with a wealth of history that reveals a deep connection with the past of its territory, which always resided in the ability to renew either form or substance, integrating solid technical skills with the creative's ability, valuing the craftsmanship of its production.

The collection "EVERYDAY", a family of cuckoo clocks, created by meeting the designer Antonella Scarpitta, represents a continuation of handicraft vocation of the company and stands for creativity, quality and contemporary design original, which suggests to the mind the memory and the memory of past childhood.
