

Ceramiche Sonda, fondata nel 1974 da Domenico Sonda, fin da subito si è distinta per la realizzazione di pezzi in stile Capodimonte di grandi dimensioni, le loro creazioni sono presenti in molti paesi del mondo e la loro continua ricerca di nuove forme e decori la rendono una ditta dinamica e al passo con le richieste del mercato, pur rimanendo nella tradizione della Ceramica Italiana.

Sonda Ceramics was founded in 1974 by Domenico Sonda. Since then it has been highly estimated for its production of big items in Capodimonte. Their creations are exported to many countries of the world and their continuous research for new shape and decoration makes them a dynamic company that caters to the market needs, but maintains the tradition of Italian ceramic production.
